RESOURCE OF THE MONTH

Often our self-perception as Christians is fragmented or incomplete—we struggle to grasp the richly faceted identity we've been given in Christ. In this Scripture-saturated devotional, pastor and biblical counselor Paul Tautges provides 90 meditations on your complete identity before God in Christ: a saint in good standing before God, yet simultaneously a sinner who must battle your desires and a sufferer who undergoes hardship. Discover how grasping this threefold biblical reality centers your thoughts and affections on the Savior and prepares you to stay on God's good path.
