

FOURTH BAPTIST CHRISTIAN SCHOOL WARRIORS

# ALUMNI VIP NEWSLETTER

VOLUME 1, ISSUE 1      MARCH 7, 2011

Dear Alumni:

As I have been planning for the upcoming school year, I am encumbered with budget figures, schedules and calendar issues. I am extremely optimistic as we continue to have many new weekly inquiries for next year. I took two new prospective families on tours this past week and spoke to another family planning to move into the area. We currently have five student teachers on site. Basketball season has wrapped up and the Warrior teams have had a good year, not dominating by any means, but strong. The girls did very well, placing third in the tournament, and the boys have improved dramatically over the course of the year, placing sixth in the tournament. The Bible Quizzing team has held on to their first place standing by only 50 points going into the last round of quizzing this month. We are heavy into our academic year as we are mid-way through the third quarter. We are gearing up for the Fine Arts Competition here at FBCS on April 8. We have added one new student, a returning first grader, last month. We look to the future extremely encouraged.

We have also seen donations continue to come in for the "Karen Burns Scholarship" drive. We have raised nearly \$18,000 so far. This money will be saved and distributed out for next year's scholarships to be decided in August. We are hoping to exceed the \$20,000 mark. This is the amount we gave out last year in scholarships and my hope is that we can raise this amount each year to continue to help some of our families who wish to keep their children in school here at FBCS. If you could be an annual contributor to this effort, you would be a blessing to our families.

I would like to send you a short update each month in order to keep you informed of what is happening here at Fourth. We have a rich heritage and a great base of alumni. We have worked hard to research and contact all our alumni. Mr. Jack Burns continues to work on this project for us. He has been a great blessing. We are also working toward the beginnings of an alumni association. I will send out more on this in the future.

Would you pray for us? I have mentioned a few things that I would like you to pray and praise the Lord for on our behalf:

## **Praises**

- Financial giving for the scholarship fund
- A good spirit amongst students and staff this year. We have maintained our enrollment numbers.
- Many inquiries for next year already

## **Prayer Requests**

- Planning for next year
- Enrollment for next year
- The possible creation of a second section of kindergarten
- God's provision for our families to make their tuition payments on time

Thanks for praying. Your involvement in our school can only enhance and help in the furtherance of our ministry. If you would not like to be included in this monthly mailing, please let us know. God bless.
