About Coach Dan Johnson:

We are glad to welcome Daniel Johnson as our guest coach for this year's basketball camps. Dan brings a decade of coaching experience from his time as junior high and high school boys coach in Idaho and Minnesota.

"My favorite thing about coaching the game of basketball is the opportunity to teach so many

lessons that correlate to life: discipline, selflessness, teamwork, perseverance, etc. I love forging relationships with the players that I am blessed to coach. My desire is to teach them to be people who will live for God and others," states Dan.

Dan married his college sweetheart, Becky, and together they are raising four children.

***"And whatever you do,
do it heartily, as to the
Lord and not to men."

I have learned many valuable lessons through sports and I think they can provide an atmosphere where athletes can develop their physical, mental, social, emotional and spiritual gifts. Sports help develop a lifestyle of character, integrity, discipline, hard work and leadership. Sports provide a wonderful opportunity to develop and practice skills and lessons that are learned in the classroom."

About Coach Ellie Hodak:

Ellie (Hodak) Conover currently lives in Pennsylvania with her husband, Jon. Together they run a business and serve in their local church.

Ellie has always enjoyed athletics and played volleyball from sixth grade through her senior year of college. She is originally from Minnesota and participated in the MACS league in high school. During her time under Coaches David and Barbara Herron at Northland International University, she was a team captain and received an All-American award.

Coach Ellie observed and assisted Coach Herron in several summer camps. Because of her love for the sport, she wants to teach girls strong fundamentals and help develop positive mental attitudes. For the younger players who attend camp, she hopes they will enjoy learning the sport while having fun. For the older students, she desires to see them work hard and hone in on skills allowing them to be ready to compete in their fall season.
