- **Giving Opportunity**—Our Senior class leadership would like to collect money to help the Shevy family with the cost of their insurance deductible for next year. Mrs. Jessica Shevy used to teach K4 here for many years, and Mr. Jonathan Shevy taught elementary music here as well. Their son, Quentin, is currently going through cancer radiation treatments. Our students have expressed a desire to help them, so we will be taking chapel offerings in Secondary Chapel for the four chapels in January. Parents are welcome to contribute to this gift also.

- **Christmas Light Collection Fundraiser**—we are again collecting strings of old, non-working, mini Christmas lights for recycling with K&K Recycling. Our school will receive the proceeds. A collection barrel is located in the school entryway. Accepted through the end of January.

- **Birthday Cupcakes**—The senior class offers birthday cupcakes for your child’s birthday for their class at lunchtime along with the seniors leading the lunchroom in the “Happy Birthday” song; cost is \$15.

- **Ice cream sandwiches & popsicles**—are available at secondary break time and elementary lunch time on WEDNESDAYS for 50 cents each. This benefits the sophomore class.

- **Donuts and Mocha Frappuccino's**—are available before 8:30am in the Atrium on MONDAYS & FRIDAYS. Donuts—\$1.50 and Frappuccino's are \$2.00. The junior class thanks you for your support!
