Mr. Broere is a graduate of Maranatha Baptist University for his undergraduate degree in secondary mathematics education. He just completed his Master's degree in Educational Leadership from Concordia University. Mrs. Stefanie Broere has been hired on to teach full-time in our secondary program. Mrs. Broere brings to us around five years of teaching experience. She loves to teach junior high students and is a graduate of Maranatha Baptist University. Her major is secondary English education and she will be teaching several different courses at the junior high and high school level.

Mrs. Lara Mendoza has been helping us in a number of areas including substituting for us. She has her Bachelor's degree in science education and is a graduate of the University of Arkansas. She will be teaching part time for us in the secondary science area, specifically physical science, biology and chemistry. This is the same Mrs. Mendoza who is the mother of Juli, Gabi, and Karina.

We continue to wait on the Lord to provide us a 6th Grade teacher and a Spanish teacher.
