Christ-Centered Academic Excellence!

Mission Statement

*Fourth Baptist Christian School, as a ministry of Fourth Baptist Church, is committed to the development of a student's spiritual life in Jesus Christ, while pursuing academic excellence in a manner which honors and glorifies God, based on the only infallible Word, the Bible.*

## FBCS Spring Choir/Handbell Ministry Trip a Huge Success

Saturday morning, 3/18, a caravan of one school bus, two vans and one trailer set out for Chicago with 50 FBCS students and 5 teachers. Sunday morning we ministered at a church in Bolingbrook and then headed downtown to perform a concert at Pacific Garden Mission (PGM). After the concert we toured the facility and heard testimonies. Pastor Chase related how he came to PGM ten years ago. He was raised in a good home but let rebellion dominate his life. At PGM, he heard the Gospel, and his life has been transformed. He is passionate about his relationship with Christ and is totally dedicated to sharing the Gospel with others. Monday morning we headed for Senior Star Retirement Center. One woman had been in the dining room since 6:00 AM because she didn't want to miss a thing. Another lady arranged for ice cream

for everyone; they were an appreciative audience. In the afternoon the students participated in a choir clinic at Vandercook School of Music, where Mr. K studied for his master's degree. Tuesday morning we visited Romeoville Christian School for a concert, then ate lunch and flash-mobbed at Costco. Employees and customers rushed to see our kids singing at the food court. We all piled in the school bus for a final trip into Chicago. We started with a visit to the Skydeck at the Willis Tower. Then we walked to The Bean in Millennium Park. The kids started singing again, but we soon discovered that "public performances" were not permitted. However, many people had stopped to

(Choir Tour, Continued from page 1)

listen. After supper where many students enjoyed the legendary Giordano's Chicago deep dish pizza, we attended a Chicago Symphony Orchestra concert. In the evenings we gathered together at our hotel to discuss what we had seen and done each day. Several students shared testimonies of how God is working in their lives. We pray these experiences of ministry will have long term impact in our lives. *Mr. Levi Kolwinski*

## NEW BLEACHERS INSTALLED IN THE GYM

Early in the year, we challenged our students to raise \$15,000 for our "Sportswalk" fundraiser so that we could have seed money to challenge our school constituency to raise the other half needed to pay for a new set of bleachers. The goal was to raise money for bleachers for the west side of our gym. The students met this goal and our constituency not only matched the \$15,000, but exceeded the total. With additional money, we were able to invest in Chromebooks for our elementary program. Other projects will be completed over the summer with some of the additional money that was raised. The bleachers were installed over Spring Break and are just beautiful. We can't wait to see Warrior fans fill up our gym for upcoming home games. Thanks to everyone for helping us complete this project.—A. Hodak

## FBCS Student Wins Photography Award Through Jostens

**Fourth Baptist Christian School Student is Named Jostens National Photo Contest Winner.**

*Micah Morrell is recognized for phenomenal photography.*

**April 6, 2017** – Jostens, the leading provider of school yearbooks, today announced the winners of its nationally acclaimed 2017 Photo Contest. The annual competition, co-sponsored by Jostens and Wolfe's Camera, celebrates the creative and innovative talents of student photographers from schools across the country. This competition empowers students to positively capture their school experiences and share the stories of their entire school communities through photography. The award-winning photos will be showcased in the next release of the Jostens Look Book which serves as a mode of inspiration for yearbook staffs across the country.

Entries from 4,000 student photographers were submitted from across the country. From these entries, 85 winners were selected. Photo contest submissions were judged by a panel of four judges consisting of professional photographers and photography instructors. The judges focused on composition, artistic merit, and technical qualities, as well as the ability to convey a compelling story.

Micah Morrell is in Mrs. Bruffey's yearbook class at Fourth Baptist Christian School. His photo titled "Soaring" (pictured below) is an honorable mention winner. He will receive an award certificate, and the photo will be published in the next Look Book. Micah captured this image during the secondary retreat at IRBC at the beginning of the 2016-17 school year.

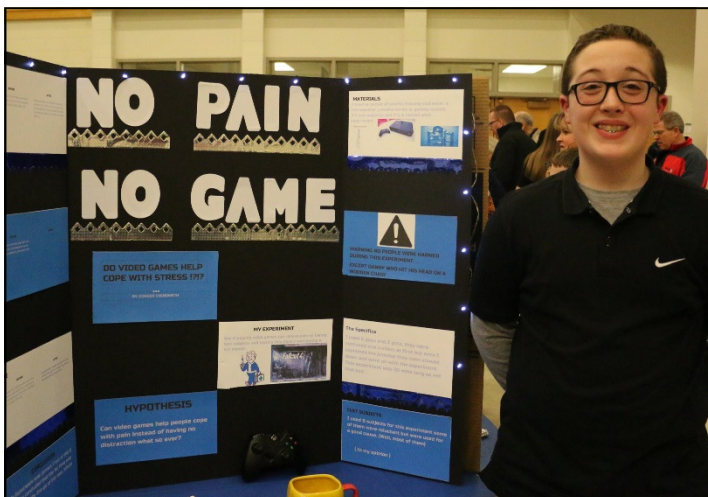

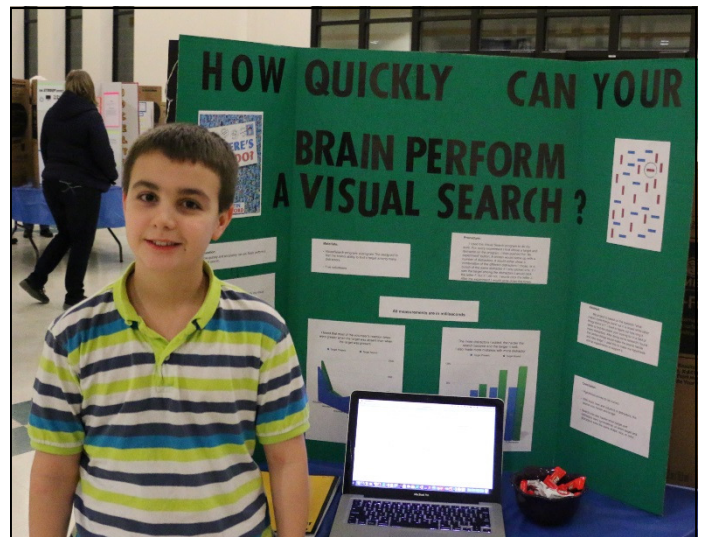

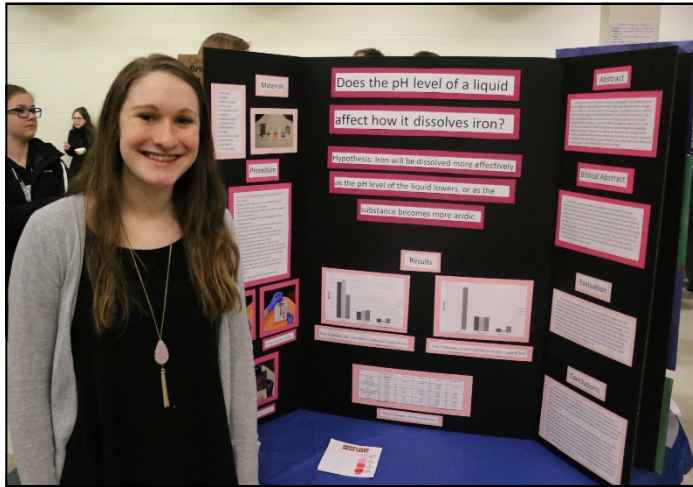

# Science Fair 2017

For the science fair, six students participated in two categories: physical and biological sciences. For physical sciences, Amanda Hartzell presented her project on the efficiency of various brands of wood glue and received first place. Isaac Grosser presented his project on bridge design, and Joshua VanLuyk presented his project on the conductivity of different coins.

Our school had two placements in the biological sciences category. Dana Frederickson received first place for her project on plants & soil erosion, and Summer Feng received second place for her project on the effect of caffeine on the growth of mung bean plants. Abbey Kolacz also presented her project on the stomach's ability to digest iron based on acid levels in the stomach. I'm really proud of our students for all of their hard work!

-Mrs. Kristen Mulnix

The 7th and 8th graders also prepared projects under the direction of Mr. Tim Hallada and did a great job as well.

## JH MACS FINE ARTS FESTIVAL

With Spring on the way, the MACS calendar turns from sports to music events. The sixth annual MACS Junior High Fine Arts Festival was held at First Baptist School of Rosemount on Friday, March 3rd, 2017.

An interesting side note is that the exact same number of students participated this year as last year, 212 students from nine different MACS schools. The JH MACS Fine Arts Festival utilizes a scale of 1 to 25 points, the highest being Superior, then Excellent, Good, Fair, etc. Ribbons are handed out at the awards ceremony with blue going to the students who received Superior ratings.

The students have the opportunity to showcase their talent in any one several different areas of competition, from instrumental to vocal, and artwork to speech events, with the option of solos, small groups and large group events. Many of the students practice for months before this event. Your diligence in preparation and effort in performance are both honoring to the Lord. - A. French

# JH MACS FINE ARTS RESULTS:

**Rating Scale:**  
 21—25 Superior  
 16—20 Excellent  
 10—15 Good  
 5—9 Fair

Band	Fourth JH Band	Superior
Choir	Fourth JH Choir	Superior

## SH MACS FINE ARTS FESTIVAL

FBCS hosted the MACS Senior High Fine Arts Festival on Friday, April 7, 2017. There were 11 MACS schools represented with approx. 250 students participating. Over thirty judges in Music, Art, Photography, Home-Ec, Academic Testing, and Science Fair helped our students develop their talents and abilities with written and verbal critiques. Our students received many high ratings at the festival and placed in many of their events. Thank you to the many parents and friends that came to support us that day!

# SHOW YOUR WARRIOR PRIDE! Spirit Week & Homecoming '17

Spirit Week 2017 was February 13-17.

Spirit Week Team Champions for this year were "The Chosen Ones" led by senior captains Vivek Mohinani and Isaiah Reis. Again, the students were divided into eight teams with senior captains. The students received points for their dress up day outfits, their behavior throughout the week, winning the afternoon activities, and attendance at the evening basketball games.

This year's themed dress up days included: "Get up and Go Day—Pajama Day" "Superhero/Princess Day," "Be Bizzare Day," "Wanna Be Day," and "Navy Blue, Red and White (Warrior Spirit) Day."

We had home basketball games on Tuesday and Friday evenings, with Friday night being Homecoming Night vs. St. Francis. We took them all for a Warrior sweep! It was a night of great competition and fun, and we recognized the alumni in attendance, and gave them the chance to shoot a free throw during a break between games. Jayden Webster proved she still had it as she won the free throw contest. This year, instead of handing out T-shirts, we drew names for Warrior water bottles with chocolate candy inside.

This year's senior class chose the Metro Women's Center as the beneficiary for our Penny Wars contest. We were able to raise \$1,000 for this worthy pro-life pregnancy help center. Thanks for everyone who gave toward this effort. The 4th and 8th grade classes won Penny Wars this year and earned an ice cream party. ☺ -A. French

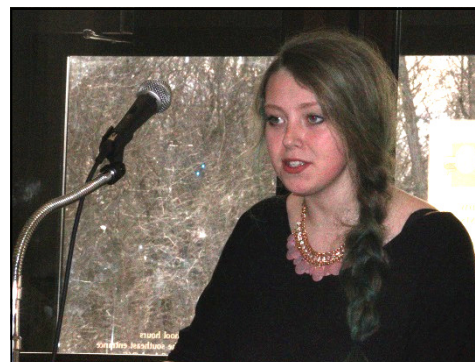

# FBCS Hosts 5th Annual Alumni & Friends Brunch

*Mr. Alan Hodak gave the State of the School Address.*

On Saturday, February 18, FBCS hosted its annual Alumni and Friends event. The purpose of the event was to raise money for the Karen Burns Scholarship Fund and get alumni together. The evening prior, at our Homecoming game, it was a Warrior sweep over St. Francis at our gym. A number of alumni came to the game and enjoyed the evening being introduced at half time of the boys' varsity game.

*Senior Greta Smith sang "Be Still, My Soul" before the Guest Speaker came to the microphone.*

The Brunch Event saw about 150 attend this year and the brunch was held in the atrium. Mrs. Kylie Klock prepared a delicious spread of quiches, breakfast breads, cinnamon rolls, fruit and more. FBCS senior Greta Smith sang a special number for us before the speaker came to the microphone. Former Brooklyn Park City Councilman and MN Representative, John Jordan was our speaker at the event. Mr. Jordan is a 1979 graduate of FBCS and currently is the director of Zerbee Business Products. Mr. Jordan did a great job expressing his appreciation not only for the impact of Christian education on his own life, but also on the life of his children. His wonderful message was directly from his heart and we were grateful for his willingness to come and share. We wanted to note these former teachers in attendance: Mr. Terry Harrington (Secondary Health and Science Teacher), Mrs. Marne Muhr (Elementary Teacher), Mrs. Wendi Mohinani (Elementary Teacher), Mrs. Lindsay Levang (Secondary English Teacher), Miss Karen Fitzgerald (Elementary Teacher & Librarian). - A. Hodak

*Alumnus John Jordan shared memories and gave a challenge about the importance of Christian education.*
