Christ-Centered Academic Excellence!

Mission Statement

Fourth Baptist Christian School, as a ministry of Fourth Baptist Church, is committed to the development of a student's spiritual life in Jesus Christ, while pursuing academic excellence in a manner which honors and glorifies God, based on the only infallible Word, the Bible.

A Letter to our Families

Dear Parents and Students:

Who would have ever thought? I could have created multiple scenarios that could shut down classes. Things like a sudden loss of religious liberties, a new law affecting private schooling, or even multiples of other catastrophes... But a virus?

Yet, we find ourselves having to change to a new normal which we never anticipated. I would, however, encourage all of us to make the best of this situation. Our children can learn and progress and we can look forward to gathering together again soon. Students are encouraged to study, join in for all the Zoom classroom sessions, and get work turned in on time. Tests and quizzes must be done according to the scheduling windows. This is how students will earn their grades. It is the only way we have, at present, to evaluate progress. Thank you, parents, for your help and work. Our teachers are working hard to plan and work for your child's success in learning.

Regarding the balance of the fourth quarter, we have cancelled the following events: The High School Drama Seminar and all elementary field trips. We will look to reschedule any concerts and the K5 and senior high graduations.

Should we be able to return to school on May 4, we will utilize the month for academics and finish the year strong. We would reschedule only a couple of events as we close out the school year. We are still planning on a May 29 last day of school for now. Graduation (both kindergarten and senior high), Elementary spring concert (shortened), and Secondary concert and graduation (shortened) would likely occur at the end of

the month. While we have not set dates and times yet, we are still operating on two week increments to make final planning decisions.

Please be patient as we wait, along with you, in trying to make the best decisions moving forward. Please know that we are thankful for you, our families and our staff. We will get through this.

For our high school students, I am mindful of the activities that you looked forward to and that you have lost. You are on our minds and in our planning as we consider what the end of school could look like.

We are trusting the Lord in the coming weeks and waiting on Him to show us how to proceed. Let us be in an attitude of continual prayer for one another during this time.

In Christ,
Mr. Hodak, Administrator

3-Peat! What a Season! Our Warrior Ladies Are Champions Again!

Our girls' varsity team has won the MACS championship for the past three years in a row. This is a feat that has not been accomplished in our basketball programs before, and so, I am very proud of our girls. One season highlight was Joelle Webster hitting 1000 points in the first home game of the season vs. Maplewood Academy. She finished the season with 1,327 total career points!

The five graduating seniors have appeared in the last four finals' games losing their freshman year to a talented Heritage Christian. We upset Rosemount their sophomore year, Chicago last year, and Lake Region this year. This year's team also posted the best record in recent Warrior girls' basketball history going undefeated in conference play (13-0), and overall at 24 wins and just 2 losses. Our average margin of victory was by 22 points with impressive wins against non-conference schools like Cambridge Christian, Liberty Christian (WI), Christ Preparatory Academy out of Kansas, and Immanuel Lutheran from Mankato.

What set this team apart from others was our work ethic, desire to win, coachability, and desire to please the Lord. You can't take what is not yours – we cannot steal God's

glory – anything we have accomplished – He must receive the credit and glory. We talked about this over and over as we wanted to be humble and grateful as we received so many of God's blessings.

I am so thankful for the privilege of coaching these girls, the lessons we have learned together, and the battles we have faced that will guide us into learning how to trust and walk with God more intimately.

What a season! So, what do we do for an encore? Fans, get ready for next year. We have some talented girls coming up. Warrior girls' basketball may look different, but it is going to be really good! Go Warriors! —Coach Alan Hodak

Individual MACS Honors:

Girls Basketball:

All-Conference First Team—Joelle Webster, Lydia Rieschl

All-Conference Second Team—Breanna Leith

All-Conference Honorable Mention—Juliana Mendoza,
Maddie Hodak

All-Tournament Team—Joelle Webster, Breanna Leith,
Lydia Rieschl (MVP)

Individual MACS Honors:

Boys Basketball:

All-Conference First Team—
Gresyn Rennie

All-Conference Second
Team—Nathan Brennan

All-Tournament Team—
Gresyn Rennie, Trenton
Radloff

JV & Varsity Boys' Season Summary:

This year the boys Varsity and JV spent the year practicing together. This was done for the purpose of creating a competitive environment for the younger players and also training the younger players on our system at an earlier age. The older players were pushed by the younger players as we have some very skilled underclassmen.

The JV team had a record of 9-2. Shaun Larson led the team as point guard along with Caleb Tollerud as shooting guard/forward, and Landon Broere as our big man in the middle. There was a lot of learning overall that was done by the group and they really came together as the season progressed. We are looking forward to seeing the Varsity contributions that this group will be making next year.

the right time during the MACS conference tournament. We gave 1st place Saint Francis a very close game, forcing them to play their best to beat us. Then, in the 3rd place game, we beat Lake Region by 1 point (after losing to them by 23 and 20 points during the regular season). We are excited for next year but have some big shoes to fill with losing our center Nathan Brennan. We will miss our other seniors (Micah Weckert, Winston Chen, Isaac Grosser) as well.

Some notable achievements for the year: Nathan Brennan ended his career with 1,013 points. He also made the all tournament team at the Faith tournament and was named to the 2nd team all conference. Gresyn Rennie was named 1st team all conference and was on the all tournament team at the MACS tournament. Trenton Radloff was on the all tournament team at the MACS tournament also. —Coach Jason Webster

JV Boys Basketball Team

The Varsity team had a record of 16-9. We finished the year ranked 4th place in the conference. The 1st and 2nd ranked teams thoroughly beat our team during the regular season, but we matched up well against the 3rd ranked Rosemount team, beating them twice in the regular season. Our team peaked at

Basketball Wrap-up

JV Girls:

Thank you to all the parents of our JV girls for your support this season. We had an exciting season winning 8 games and losing only 2. It was my privilege to work with this group of girls. Each of them worked hard in practice and continued to grow in their understanding of the game of basketball. This team was comprised of five tenth graders (Jocelyn Devanesan, Alyza Dunn, Chloe Emslie, Jasmine Cole, and Anna Morrell), three ninth graders (Suzanna Kotelevska, Abbie Page, and Karina Mendoza), and two eighth graders (Alyssa Stephens and JoJo Rieschl). Congratulations to JoJo Rieschl for receiving the Hustle Award; Jasmine Cole for receiving the Defensive Award; and Chloe Emslie for receiving the Coach's Award. Thank you all for a great season! —Coach Lydia Hodak

JH Boys Team Blue (7th & 8th):

Junior High Blue team consisted of five 8th graders & four 7th graders. It was fun to see how everyone blended together as some of the players had more than 3 years of experience while other players had 1 year or less of basketball experience. It was great to see how everyone improved throughout the year. We had an overall record of 9-5 which consisted of everything from close games to huge losses & even a few blowout wins. In the Rosemount tournament, we lost a close opening game, but then we came back strong to win the final 2 games & the Consolation Championship! Individual awards: Most Improved Award - Jace Cheek, Hustle Award - Carsten Markgraf, Best Defensive Player Award - Nathan French, Nerds Award - Jacob Combs (no one will ever forget those socks!). Thanks to Jay French & Joe Combs for doing the stats & for Coach Ted for helping me throughout the year. —Coach Paul Larson

JH Girls Team:

Our theme verse this year was James 1:22, "Be doers of the word, and not hearers only." We talked about how in basketball practice, we are learning the game of basketball, and then in the games, we are to go out and *do* the game of basketball. God wants us to follow the same pattern in our Christian lives, and I challenged the girls with this truth. Knowing leads to *doing*. From a basketball perspective, we did a lot of learning and a lot of doing in regard to our basketball skills. We had a young team this year and we all learned a lot and had fun doing it. Thank you to the parents who supported us, traveled to our games, and helped support the girls this season. We look forward to you all coming out again next year! —Coach Jeremy Stephens

JH Boys Team White (6th Grade Team):

We had a great season in 6th grade basketball. I asked the boys for three things when the season started: 100% effort 100% of the time, a great attitude, most importantly, to have fun. My prayer is that the boys learned, grew and enjoyed through all we experienced this season. We ended the season 4-5. I would like to thank Mr. Marcus Wilkes and Mr. Ted Radloff with their help this season, and I would also like to thank Coach Paul and Coach Stephens for allowing us to scrimmage their teams. Looking forward to next season! —Coach Kpormah Rennie

Warrior Spirit Week 2020

This year, the weather cooperated nicely for us to have our full Spirit Week during the week of Jan. 27-31. Spirit Week is always a fun time as we have a series of special chapels, dress-up days, and team activities and home basketball games. This year's dress-up days were as follows: Pajama day, Dr. Seuss day, Sports Jersey day, Wanna Be day, and Warrior Spirit Navy Blue, Red, and White Day. You can see from the pictures how much our kids get into it! Friday night's Homecoming games were especially sweet this year as we completed a 5-game sweep over conference rival Rosemount! We had a great crowd and it was a lot of fun! This year's winning team was team #2, God's Eliminators, led by captains Joelle Webster and Winston Chen.

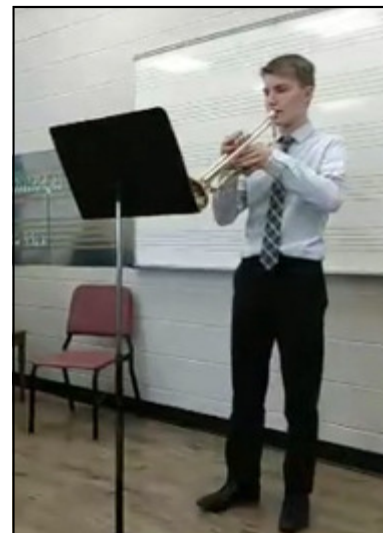

History Fair 2020 —March 12, 2020

The History Fair at Fourth Baptist Christian School was a new and fantastic experience for me. I loved seeing the different displays of historical events, influential people, and fascinating countries! Many of the students added personal touches to their displays such as: food, family antiques, original souvenirs, and various artifacts. I enjoyed hearing from the students what they had learned and appreciated about their chosen topic. A highlight of the evening was meeting grandparents that had lived in the country their grandchild had chosen to study - Armenia. The project initiated many conversations between grandparent and grandchild about their homeland. - S. Broere

JH MACS FINE ARTS FESTIVAL —March 6, 2020

When you take 50 JH students to an all-day Fine Arts Festival at another school, it can be quite an undertaking! However, we are so pleased with how they performed and conducted themselves throughout the day. They supported one another very well as they listened attentively to the many different events their classmates were involved in. Our students conquered their nerves and performed at a high level of musicianship and earned great ratings. I was able to witness many performances, but wish I had been able to see them all. We congratulate our students on reaping the rewards of their hard work and preparation. Mr. Kolwinski was also thankful for the many parents who were able to come for the day. It was a huge blessing! - A. French

JH MACS FINE ARTS RESULTS:
