

Fourth Baptist Christian School

Warrior Quarterly Newsletter

VOLUME XIV, ISSUE 1

1ST QUARTER, NOVEMBER 2023

Why Christian Education?

Fourth Baptist Christian School (FBCS) has begun its 57th year in operation. What started as a ministry of Fourth Baptist Church to its congregation on Fremont and Broadway in North Minneapolis has blossomed into a full-fledged academic institution with the goal of providing a solid education in a Christian environment. What was 45 students and a small handful of teachers is now 325 students with 40+ full- and part-time faculty and staff.

The school began as an outreach to the community and now educates students from almost 50 local churches. Every day, 182 families bring their students to our doors. We have formed an unspoken bond—a trust—that FBCS will care for and challenge the students which God has brought to us. We trust God each day for protection and wisdom in the work He has called us to do.

Over the last four years, and certainly since last May, I've enjoyed getting to know so many of you. You've shared what you do for a living, where you grew up,

and what excites you. And I've enjoyed seeing you get excited about the work that happens here at Fourth.

It's the conversations, your stories, that often encourage and empower me when I am struggling with motivation—when I allow circumstances to dictate my attitude.

There have been two distinct types of conversations that have gripped me these last few months: (1) how rough public schools are, and (2) concerns about raising a godly family in the chaos of today's society.

After college, I spent my first four years as a math teacher in public high school classrooms. I enjoyed the work, appreciated the enormity of resources, and the challenge of sharing my faith in creative ways. I remember processing along with my students: the 9/11 traumatic event, the grief of a classmate tragically passing away due to a car crash, and the highs and lows of teenage life in

Our Mission

Fourth Baptist Christian School, as a ministry of Fourth Baptist Church, is committed to the development of a student's spiritual life in Jesus Christ, while pursuing academic excellence in a manner which honors and glorifies God, based on the only infallible Word, the Bible.

Lady Warriors Achieve a 3-Peat MACS Championship!

Our Lady Warriors Volleyball Team, under the leadership of Coach Becky Johnson, has achieved a 3-peat as the MACS State Varsity Volleyball Champions!!

This win is Coach Becky Johnson's last State title as she and her husband, Pastor Dan, are moving to Idaho in January to assume a senior pastorate. We will miss them! Read more about the VB undefeated season in the Sports Wrap-up section. ■

Why Christian Education? (cont'd)

(Christian Ed, continued from page 1)

an affluent suburb of Milwaukee, Wisconsin.

But I also remember David, a student during my third year at Oconomowoc High School. David was a fun-loving 10th grader in my Algebra 1B class. He had barely passed his previous math class and didn't seem to take school seriously. He had been diagnosed as having ADHD and was prescribed Ritalin to help him to focus. However, as I began to work with him, I found out David really struggled at home. His parents had given up on him, and he was often left to fend for himself. He felt that no one cared for him.

I found out later that he began to experiment with drugs, and these drugs were negatively interacting with his ADHD medication, creating violent mood swings in this young man's life. He began to skip school, which initiated the truancy officer getting involved and ultimately referring him and his parents to the criminal courts.

But that is nothing compared to what life in a typical public school is like today. My public school educator friends tell me stories of blatant disrespect and defiance, bullying, sexting, and even threats of physical violence. The learning atmosphere, the culture, of these schools is becoming toxic—teachers quietly quitting, parents attacking administration and school boards.

Raising a family today is so much different than when you and I were kids. Mr. Monroe (Secondary History Teacher) and I have often talked about how “hard we had to work” to get ourselves into the kind of trouble back then that students now can thanks to the power of a smartphone. The access our students have to the world's knowledge is incredible, yet incredibly dangerous.

At FBCCS, we intentionally limit the use of technology. We are not a 1-to-1 school where students are toting iPads, Chromebooks, or other personal technology to every class. We minimize the use of cell phones and other personal technology devices by offering school-managed technology. We have filters and blocking capabilities for our internet access. Teachers are asked to actively monitor students, especially when it comes to the area of access to technology.

**“OUR GOAL
IS TO
CONTINUALLY
PLACE GOD’S
WORD IN
FRONT OF OUR
STUDENTS...”**

Our students partake in daily Bible classes (outside of the Honors Bible courses) as our goal is to continually place God's Word in front of our students. This is an intentional act, for we want our students to: (1) come to know Christ at an early age, (2) be familiar with what God's Word says about living for Him, and (3) make choices that will honor God in every area of life.

We structure our environment to place the teacher as the authority. This one aspect is likely the hardest for new students to get used to as they transition from a public school. Students are not allowed to roam the hallways, come and go as they please, and tell a teacher or authority what they are going to do. We want our students to understand submission to authority, recognizing that life is about responding to some outside authority. In life, even entrepreneurs and business owners answer to someone at some point in time!

It is the desire of Fourth Baptist Christian School to come alongside families, providing a quality education in a Christian environment. If there is something we can do to help your family, please let us know. ■ ~ Andrew Broere

Introducing Our New FBCS Faculty

Mrs. Hannah Macalus
Third Grade Sec. B

I grew up in a pastor's family in New Jersey and put my faith in Jesus at a young age. My family later moved to Minnesota when I was a junior in high school. I attended Fourth Baptist Christian School my junior and senior year. My husband, Sam, and I graduated in the same class together! I attended Faith Baptist Bible College where I received my degree in Elementary Education. I then returned to Fourth and taught 3rd grade for 4 years before staying home with our children. We have 3 girls, two of whom attend Fourth. It has been fun to go from student to teacher to parent and now back to teacher... all at Fourth!

■ ~Hannah Macalus

Mrs. Becky Hopper
4th Grade Sec. A
(afternoons)

I had the privilege of growing up in a Christian family in Great Bend, Kansas. I trusted Christ as my Savior when I was in sixth grade and was baptized shortly thereafter. I praise the Lord for His salvation, leading, and providence in my life. I attended Metropolitan State College in Denver, Colorado and graduated with a BS in Geology. My husband Don and I have been married for 43 years. We moved to Minnesota in 1997 and have attended Fourth Baptist Church since that time. We have three grown children who attended FBCS for most of their schooling and were also homeschooled for a few years.

I helped out at FBCS while my children attended here in the lunchroom, as a recess monitor, and classroom volunteer. I began working at Metro North Adult Basic Education in Blaine in 2011, and worked there until August, 2023. I was a Literacy Assistant and co-taught GED and college prep subjects. In 2021, I also co-taught beginning ESL in an online environment. I am so thankful to be able to serve the Lord at FBCS. It is a joy to be able to share the love of Christ and a Christian worldview with the wonderful students that God has entrusted to us in this place. ■ ~Becky Hopper

Mrs. Amy Pickard
4th Grade Sec. A
(mornings)

I was blessed to be raised in a Christian home and was saved at a young age after hearing the Gospel during Awana at church. My family moved several times during my growing up years which gave me a variety of education experiences. I started elementary in a public school. We moved when I was entering 4th grade and I had the privilege of attending a Christian school for three years before another move led my parents to homeschool. It was the teachers at my Christian school that inspired me to become a teacher.

I earned my elementary education degree from Pensacola Christian College and took my first teaching position at a Christian school on the Gulf Coast of Mississippi. I taught 3rd grade there for four years before moving home to Minnesota. This transition allowed me the opportunity to pursue a Master's degree through Liberty University. In 2011, God opened the door for me to come teach first grade at FBCS. My husband Ivan and I met here at Fourth Baptist Church and we were married in 2017. God blessed us with two beautiful girls and graciously allowed me to stay home with them for the last four years. I am excited to be back at FBCS and working with the 4th grade students. God's plans are always the best and I am eager to see what He has in store for this year! ■ ~Amy Pickard

Ms. Adrea Lynch
5th Grade

I had the privilege to grow up in a Christian home. I graduated from college in 1990 with my teaching degree. After college, I went to my first teaching position. I taught 6th grade at Faith Baptist Christian School for 5 years. Through listening to sermons and conversations with the pastor, I realized I was not truly saved. In 1992, I accepted Christ as my Savior and have been serving Him since. I went on to teach K4-K5 for one year, and grades 7-12 for two years at Bay City Baptist Christian School. When we moved to Minnesota in 1998, I had the privilege to homeschool my children for 14 years. This past summer, I felt the Lord leading me to apply for a teaching position at Fourth Baptist Christian School, and it has been a blessing to be back in the classroom. ■ ~Adrea Lynch

Introducing Our New FBCS Faculty

Mrs. Jessica Farish
Special Education &
Resource Room

I grew up in a Christian home that valued relationships and giving to others. Those two things were so ingrained in me that I thought it was just how everyone lived. It wasn't until I was an adult that I realized what a treasure I had been given by witnessing that kind of daily example. It is not a big surprise that relationships take a high priority in my life today. The most important relationship I have is with my Savior, Jesus, and hopefully that is evidenced by the way I live. I have been blessed with five children. The four boys are adults and my only girl is in 11th grade at FBCS. In this unique time in our lives, my husband and I are dating each other again, finding new hobbies, and learning how to navigate life as people—instead of only as parents.

When my kids were young, I began working in their school as a paraprofessional and discovered that I love working with students that have special needs. It only took me 40 years to figure out what I wanted to be when I grow up! I have worked in Special Education for 9 years and went back to college two years ago to complete a dual degree in Special Education and Elementary Education. I am thrilled to be at Fourth and have this opportunity to combine my faith and my career passion. ■ ~*Jessica Farish*

Mr. Caleb Gehrke
JH Bible

My testimony is very short as I was saved when I was quite young, at the age of four. I was homeschooled my entire life, including pre-school at the age of four. I was led to the Lord by my mother during my pre-school Bible time. I felt the call to ministry when I was thirteen during an academic summer camp. I devoted my life to serving the Lord in ministry however I could. I eventually graduated from Pensacola Christian College with a youth ministry degree with an emphasis on digital media. I am now a seminary student working on my Masters of Biblical Counseling. I have attended Fourth Baptist Church since I was ten, and I have been a member of the church almost that long.

I was in a church service over the last summer, and heard of the need for Christian teachers at the school. I looked at the website and realized that there was a need for Bible teachers. It is my desire to go into pastoral ministry of some kind eventually, but in the meantime, my training as a youth minister prepared me to teach Bible in a Christian school. I took the opportunity to serve God within any Christian ministry field and ended up becoming the Junior High Bible teacher for Fourth. ■ ~*Caleb Gehrke*

Mr. Joseph Schueller
SH Bible

Hi! My name is Joseph Schueller, and this is my first year teaching at Fourth. I was raised in a Christian family that attended church growing up. When I was about 5 years old, I heard a Sunday School lesson on the crucifixion and how Jesus died for my sins on the cross. At the time, I did not understand much about what it meant to be a Christian, but I knew that I was a sinner in need of salvation.

As I've grown older, I've learned more and more about what it is to be a child of God. During the summers while I attended college, the Lord led me to work at a Christian Summer camp called Forest Springs in Wisconsin. It was there that I saw the value of devoting my time to ministry. After earning my bachelors degree in Business Administration, I took steps toward studying for the ministry in seminary and gaining ministerial experience by serving in my local church and teaching the Bible at Fourth Baptist Christian school. I am currently attending classes at Central Baptist Theological Seminary, working towards a Masters of Divinity degree while striving to eventually become a pastor. For now, I am learning to trust God's direction and timing as I grow to love Him and serve Him more. ■ ~*Joseph Schueller*

Sportswalk 2023

On Monday, October 2nd, our 6th-12th grade student athletes and teachers walked the 8-mile loop around Medicine Lake to raise money for our Warriors Athletic Department. The Seniors chose "It's a Walk Not a Sprint" as the theme for the day from 2 Timothy 4:7, "I have fought the good fight, I have finished the race, I have kept the faith." We were blessed with great weather with sunshine and also wonderful volunteers who served approximately refreshments and beverages at rest stops

along the way to 135 walkers. The students enjoyed talking and walking, eating and playing, and then eating pizza lunch upon their return to Fourth. The afternoon was filled with activities such as kickball, basketball, soccer and volleyball. We thank our students, parents and donors for raising almost \$14,000 for our athletic department this year. It is with these funds that we are able to purchase uniforms, sports equipment, and cover the cost for our athletic trainer for the year. ■ ~*Sarah Stephens*

Varsity Volleyball: Another Championship Season

This season was special, filled with both laughter and tears—a journey that grew us in the Lord and in our unity with one another. We had a lot of success this year, finishing with the unbelievable undefeated record of 27-0. We earned a first-place finish at the Spikefest Tournament at Faith and at our own Spikefest Tournament—and then we ended the season with a big win at MACS to take the State Championship.

Four different girls earned top honors at these tournaments: JoJo Rieschl, Clara Rieschl, Alyssa Stephens, and Sophia Morrell. These wins represented many, many hours of hard work in the gym, perfecting the art of ball-control. They represent the work of self-discipline to be emotionally stable

and others-focused. I'm so proud of the girls and the work they put in this year!

In our devotions, we studied several different passages that described God's view of greatness. How different His perspective is from ours! As we studied, we were struck by the humility and servant-heartedness He values, so we worked to put that into practice as the girls strived to play *for one another* on the court, and even serve the other teams off the court (Thanks for making all those cookies, Ruby!). I'm so thankful for these girls, and this special season!

■ ~Coach Becky Johnson

Warrior Awards given were: Verbal Leadership Award - Alyssa Stephens, CO-MVP's - Clara and JoJo Rieschl.

2023 Varsity Captains:

Clara Rieschl, JoJo Rieschl,
Alyssa Stephens

Faith All-Tournament Team:

Sophia Morrell (MVP),

- 1st Team All-Conference:
Clara Rieschl, JoJo Rieschl
- 2nd Team All-Conference:
Alyssa Stephens
- All-Conference Honorable
Mention: Sophia Morrell

All-Tournament Team:
Clara Rieschl, JoJo Rieschl (MVP),
Alyssa Stephens

Varsity Soccer: One Word Describes Our Season ... Successful

Our theme this year came from I Timothy 4:7-8, "Train yourself for godliness; for while bodily training is of some value, godliness is of value in every way, as it holds promise for the present life and also for the life to come." We talked often about how we should be pursuing godliness in all areas of our lives the way that we were pursuing becoming better soccer players.

Although we didn't know it at the time, our early season game against Chisago would be a picture of so many games to come. Close and right down to the wire, we won that game 3-2. There were two teams we never beat—Lake Region and Rosemount—but they never beat us either, as each matchup ended in a tie.

Our final game in the tournament—the Consolation Championship game against St. Francis—will always stick out to me because after a 0-0 first half, Carsten put us up 2-0. After we went up 3-0 on a goal by Shaun, Nathan put in two more in the last four minutes to win the game 5-0. And of course, we can't forget Jacob's goal saving header in that game in addition to Isaac's usual stellar defense, outrunning their strikers. While it was fitting that it was our *seniors* who did all the scoring in that final game, what stood out to me the most was the joy and excitement from the boys, parents and fans after that win.

Following the clapping of the fans, we all ran through the line to high-five our parents and fans before celebrating some more after the game. You'd think we won the championship with all the excitement for winning that final game! Hugs were happening, pictures were being taken, donuts were being passed out, milk was being chugged—and we were having a blast celebrating ending our season on a winning note.

Scoring more goals this year was a focus and goal of ours for this team from before pre-season started. We knew we had the power, and we were determined to unleash it. And unleash we did! Last year during the regular season, we scored 13 goals total, and this year our combined total for goals in all of our matches and tournaments was 57 goals! And when we did score, it was great to see the celebrations of the boys on the field, the guys on the bench, our fans on the sidelines, and of course, Coach Jared's epic celebrations ... and to be able to be a part of it all.

There is only one word that describes our season...**successful**. No, we weren't able to accomplish the ultimate goal of winning the MACS Championship, but that doesn't mean we weren't successful. We were, in fact, **highly successful** this season, and our record and that trophy are proof of that. The

2023 Varsity Captains:

The "Senior Six" in rotation:
Josiah Brombacher, Isaac Caasi,
Jacob Combs, Nathan French,
Shaun Larson, Carsten Markgraf

Faith All-Tournament Team:

Isaac Caasi

MACS Soccer Honors:

- 1st Team All-Conference:

boys can feel satisfied with their efforts and hard work this season. Thank you for all your support for these boys and this team. ■ ~Coach Jeremy Stephens

Warrior awards given were: Offensive Player of the Year - Carsten Markgraf, Defensive Player of the Year - Isaac Caasi, and two Warrior Awards to our midfielders - Shaun Larson and Josiah Brombacher.

These Twelve Senior Athletes Will Be Greatly Missed

Isaac Caasi—Defender

Carsten Markgraf—Striker

Alyssa Stephens—Outside Hitter

Clara Rieschl—Outside Hitter

Josiah Brombacher—Center Midfielder

Nathan French—Midfield/Striker

JoJo Rieschl—Setter

Sage McQueary—Outside Hitter

Shaun Larson—Center Midfielder

Jacob Combs—Defender

Lilly Broere—Middle Blocker

Paige Emslie—Outside Hitter

JV Volleyball

The Warrior JV Volleyball Team had a fantastic season this year. With a 9-1 season record, this team dominated and proved that they have a bright future ahead of them as they continue to play! This year's team had four returning JV players, with six of them being brand new to the high school program. We began our season in August (two weeks before school started), and each of these girls worked hard daily in practice alongside the Varsity team.

I am thankful for Coach Becky Johnson allowing the JV girls to practice and learn skills with the Varsity team. I believe this truly made our team work hard and be challenged which aided in their success.

Not only did we succeed on the court, we also succeeded in studying God's Word together. Alongside the Varsity team, we studied various passages of Scripture throughout the year with a theme of

"Worship. Serve. Lead." It was a blessing to see the girls' diligence both in studying the Word and in improving their skills on the court.

Thank you, girls, for a wonderful and fun season, and thank you parents for your support and encouragement along the way.

■ ~Coach Sarah Stephens

Warrior awards given were: Consistency Award - Megan Page, Sportsmanship Award - McKenzie Johnson, and Coach's Award - Brianna Treptau.

JH Soccer

This year was one of the most successful junior high soccer seasons that Fourth has had in many years. The team secured the #2 seed in the NSPSL tournament with a regular season league record of 6-1-1. The team accomplished this record scoring 36 goals and allowing only 10. This was dominant play and showed this team's commitment to playing soccer as well as they could. The team then went on to finish second place in the NSPSL tournament after two dominant wins and a loss in a very close championship game.

One of the main characteristics the team showed this year was resiliency. No matter how tough the opponent was this team never gave up. They stuck together and achieved results beyond any preseason expectations. This was an incredible

soccer season, and I am very proud of how this team handled success as well as adversity throughout the season. ■ ~Coach Erik Fredericksen

Warrior awards given were: Unsung Hero - Lincoln Johnson, Best Offensive Player - Erick Gomez, MVP - Isaiah Caasi.

JH Volleyball Team Blue

I enjoyed coaching this group so much! They put so much effort into learning new skills and it paid off. The highlight for this season was placing second in the MACS JH Volleyball Tournament. Lily Goshgarian, Sara Sousa and Tiegan Treptau were named to the MACS All-Tournament team. Our season ended with a fourth place finish in the NSPSL Tournament. ■ ~Coach Claire Bouwman

Warrior awards given were: Lily Goshgarian - Offensive Award, Star Delich - Most Improved Award, and Sarah Goshgarian - Longest-Serving Streak Award.

JH Volleyball Team Silver

It was a privilege to coach the JH Silver Team. I really enjoyed having this opportunity to help the seventh grade girls build their volleyball skills as well as their character. I was very encouraged at the growth that I saw in this team and the support that they showed each other throughout our season and in the NSPSL tournament.

I would like to thank Coach Claire for covering practices and assisting me at games. Thanks for the great season. ■ ~Coach Kaycee Leanger

Warrior awards given were: Samara Reese - Leadership Award, Isabelle Chuprin - Coach's Award, and Clara Morrell - Sportsmanship Award.

JH Volleyball Team White

This was my first year coaching in any sport, and I loved it so much. The girls were a joy to work with. I saw so much improvement this year from all of them. In our first practice, we worked on the basics of passing a volleyball, and in our last practice, we were getting at least two, and sometimes even three touches on the ball. I'm so proud of how these girls ended the season, by winning the NSPSL consolation championship.

But winning isn't everything. I always tried to remind the girls that no matter what the outcome of the game, we are to praise God. We also talked a lot about thankfulness, and I am so thankful I got to be their coach. I can't wait to see how much they improve over the years. ■ ~Coach Alyssa Stephens

Warrior Awards given were: Hustle Award - Alexis LaVasseur, Serving Award - Katelyn Kolwinska, and Energizer Award - Daniella Damyan.

Elementary Fall Field Trips

K4 & K5 Trip to Fall Harvest Orchard

On Friday, October 6, the K4 and K5 classes went to Fall Harvest Orchard. It was a chilly and drizzly day, but the children still had a great time! We spent the morning on a wagon ride tour of the orchard. We learned how the trees are planted and cared for to produce many different varieties of delicious apples. The children also had fun playing in the corn pit, taking a train ride, visiting and feeding the animals, jumping on a big inflated pillow, and climbing and jumping on the many hay bales. We ate lunch together, and then had a little more time to play before we got on the bus and headed back to school. The children each received an apple and coloring book to take home. Thank you to the many parent chaperones who attended the trip with us! Your involvement makes these outings even more fun for the kids (and teachers too ☺).

■ ~Julie Roman

Second Grade Trip to Fort Snelling

On Thursday, October 5, the second grades toured Fort Snelling for our annual fall field trip. Fort Snelling has always been a favorite for the second graders. This year, we did some different things. We began with a discussion time about the landscape around the fort, the joining of the Minnesota and Mississippi Rivers, and the plant life that grows in that area. From there, we toured the Visitor Center. A couple of the fun things were: seeing an old ambulance and looking at a book about Whiskey, a horse that was well known at Fort Snelling. Lastly, we were able to visit the Historic Fort. Some of the student's favorites were going into an old jail, visiting the Snelling home and the hospital, talking about Dred Scot, and seeing the blacksmith in action where the workers made an iron nail for the class. As usual, we finished by going to the round house tower which was a fun and exciting way to finish our field trip. ■ ~Diane Davis and Kim Morrell

Fifth & Sixth Grade Trip to the MN History Center

On Thursday, October 5, the fifth and sixth graders enjoyed a field trip to the MN History Center. This field trip encompassed a view of Minnesota's past that has shaped Minnesota as we see it today. The students were able to observe a WWII paratrooper plane, effects of a devastating tornado, enter an iron ore mine, serve their friends from an old fashion soda shop, and visit a fur trader's post. We were able to further explore the fur trade by taking a hands-on class that emphasized the impact and importance this had in Minnesota. The highlight of their day was visiting the Peanuts Gallery that showcased Charlie Brown and friends and tracing images. The students enjoyed a day of learning in a unique way! ■ ~Sheila McLeish

Grandparents & Parents Day 2023

We enjoyed a beautiful fall day this year for our annual Grandparents' & Parents' Day. We estimate that we had about 200 guests on campus to visit our classrooms, attend the special program, and have lunch with our students. It was really exciting to have so many people packed into the auditorium on both the lower level and the balcony for the program! The teachers did a wonderful job preparing the students for their memorized recitations, songs and even a skit. If you missed it, you can watch the recording on our website.

Our guests enjoyed cinnamon rolls and coffee for breakfast and a complimentary brown bag turkey sub meal for lunch. Mrs. Fure set up a nice fall backdrop in the atrium for our guests to take photos with their grandkids. Many remarked to us afterwards what a wonderful school and music program we have. We are so thankful to God for such a supportive community of parents and grandparents. ■ ~Alison French
