APRIL 2024

Why Christian Education? Part 3

Continuing the discussion from previous newsletters, let's resume by focusing on why Christian education is incredibly valuable, especially today. We've seen its foundation here in America, and how that foundation was built on three concepts, derived from Deuteronomy 6:6-9; (1) keep the words, (2) teach the words, and (3) review the words and works with your families. Moses' insistence on this, from the commands and statutes of God, formed the basis for Christian teaching and learning throughout centuries.

Please allow me to continue this conversation focusing on two components of Christian education: character development and community/spiritual fellowship. As we navigate the corridors of Fourth Baptist Christian School, these aspects stand out prominently as foundational pillars of our educational philosophy, molding not only academic achievers, but also nurturing compassionate leaders rooted in faith.

CHARACTER DEVELOPMENT AND MORAL FOUNDATION

At Fourth Baptist Christian School, our approach to character development and moral formation is deeply rooted in our choice of educational resources, including textbooks from Abeka and BJU Press. These renowned publishers are known for their commitment to integrating biblical principles seamlessly into academic content, creating a cohesive learning experience that fosters spiritual growth and ethical awareness.

One of the key strengths of both publishers is their emphasis on teaching from a biblical worldview. From history and science to literature and mathematics, these textbooks not only present facts and concepts but also frame them within the context of God's truth and moral teachings. This holistic approach ensures that students not only acquire knowledge but also develop a strong foundation of values that align with Christian

principles.

Having Christian textbooks does not make us a Christian school, though; neither does it provide the full breadth of training your student deserves and that you have requested. Our teachers, as mature believers in Christ, complement our textbooks which offer structured lessons and activities that promote reflection, critical thinking, and

decision-making based on biblical principles. Whether exploring ethical dilemmas, analyzing historical events through a moral lens, or engaging in discussions about contemporary issues from a Christian perspective, students are equipped with the tools to navigate complex moral terrain with wisdom and discernment.

This process happens at an age-appropriate pace. Through engaging stories, historical accounts, and real-life applications, students are encouraged to emulate positive role models from Scripture and history, learning valuable lessons about character and moral conduct. We are not placing difficult scenarios or complex biblical characters and storylines in front of your students before they are able to handle such discussions.

Our Mission

Fourth Baptist Christian School, as a ministry of Fourth Baptist Church, is committed to the development of a student's spiritual life in Jesus Christ, while pursuing academic excellence in a manner which honors and glorifies God, based on the only infallible Word, the Bible.

(Why Christian Education, continued from page 1)

By incorporating textbooks from Abeka and BJU Press into our curriculum, we ensure that our students receive a comprehensive education that not only prepares them academically but also shapes them into individuals of strong character, integrity, and moral conviction. It is through these educational resources that we strive to fulfill our mission of nurturing students who not only excel in their studies but also exemplify the values of the Christian faith in their daily lives.

COMMUNITY AND SPIRITUAL FELLOWSHIP

Now that we've explored the importance of character development and moral foundation, let's shift our focus to another vital aspect of our school's philosophy—community and spiritual fellowship. Just as each student's growth is nurtured through values and integrity, our collective strength as a school community is fueled by shared faith and a sense of belonging.

The focal point of each week is the chapel service—an opportunity for three separate segments of our student body to sing, share, and hear God's Word. The chapel program is broken up into three segments: preschool (K4)—2nd grade, 3rd—6th grade, and 7th—12th grade.

Both the elementary and secondary chapels follow a theme, or variations on a theme. For the elementary chapels this year, Mrs. Fure is walking students through the various Old Testament heroes and comparing them to modern-day superheroes. Those comparisons include Noah and Superman (who both helped save mankind), Jacob and Loki (who were both deceivers) and even Samson and The Hulk (who both possessed superhuman strength). The goal of these comparisons is to teach faith in God through stories of real people who did extraordinary things. Relating superheroes to Bible characters is a fun way to draw attention to God by placing emphasis on His superiority to us all.

The secondary students have worked through the book of Nehemiah, learning that Hard Work + Prayer + Unshakeable Faith = Successful Problem-Solving. Along the way, the students have also been challenged as to the role of the Word of God in

their lives: is God's Word important? Are they growing? Throughout the study, students have seen how Nehemiah's faith has grown despite, or possibly because of, the external and internal challenges he faced.

All students have Bible class daily, with the exception of junior and senior Honors students taking college-level Bible classes three times weekly. It's in these classes that students are continually presented with the people of God's Word, the challenges they faced, and the outcome of their decisions. Each Bible story and narrative are given as an example or pattern (1 Cor 10:11), encouraging and admonishing us all in our walk with God. As we lay these in front of our students, the challenge is for them to choose to follow Christ and walk in His steps.

Finally, FBCS faculty are encouraged to invest in the lives of our students. While most students struggle to relate to every teacher, most students would identify one or two staff members who invested directly into their life through building relationships, providing mentorship and guidance, and even promoting personal growth.

CONCLUSION

As we conclude our exploration of character development, moral foundation, community, and spiritual fellowship in Christian education, it's clear that these aspects are not just lessons learned but values lived. They form the backbone of our school's philosophy and contribute to the holistic growth of our students.

From instilling virtues like integrity and compassion to fostering a sense of belonging and shared purpose, our commitment to character and community shapes the fabric of our school community. It's not just about what we teach in the classroom but how we live out these values in our interactions, service projects, and everyday actions.

In next quarter's article, I'll wrap up this discussion on the value of Christian education with several questions for you, both as a challenge as well as an encouragement to you and your family as you think about why you have chosen Fourth Baptist Christian School. ~Mr. Andrew Broere, Head of School

FBCS Sends Three JH Students to MBDA Honor Band Festival

The South Central MN Band Director's Association (MBDA) hosted their Honor Band Festival on February 3, 2024. Mr. Kolwinski is a member of MBDA and was able to nominate students for the festival. Three 8th grade students – Isaiah Caasi (trumpet), Christian Kolwinski (tenor saxophone), and Lukyn Williams (tuba) – were selected to participate along with about 75 other students from various public and private schools around southern Minnesota. The boys practiced the music in advance to prepare for the festival. On the festival day, they participated in four band rehearsals and an instrument specific sectional to prepare for the afternoon concert. They played some very fun music and had a great time developing their instrumental skills with other students from around Minnesota. Their favorite song to perform was called *The Country Club Stomp* by Jarod Hall. ~Mr. Levi Kolwinski, Music Director

Isaiah Caasi, Lukyn Williams, Christian Kolwinski

Warrior Spirit Week 2024 ~ January 29–February 2

Spirit Week 2024 provides the opportunity to break up the routine of school and bring students together. The student body was divided into eight different teams, each led by captains from the senior class. Through this, students are learning to work together, while leadership skills and team unity are encouraged throughout the week. Activities this year included dress-up days, basketball shooting, a limbo contest, and the ever-popular game *Ships and Sailors!*

This year's themed dress-up days included *Pajama Day*, *Tourist Day*, *Sports Jersey Day*, *Be Bizarre Day* and *Class Theme Day*, and the traditional *Warrior Spirit Day* to wrap up the week.

Warrior basketball brought fans together to cheer for their teams in home games against Providence, Prior Lake, Legacy Christian and Community Christian of Wilmar.

Mrs. Morrell's 2nd grade class won Dollar Wars, and more than \$1050 was raised for Mr. Jim Hunter and his wife. Jim has faithfully taught our Honors Bible Class in conjunction with Faith Baptist Bible College for the last eight years. Jim's wife Barb has been fighting cancer for several years, and the goal was to alleviate some of that financial burden. Thank you to everyone who gave toward this effort! ~Mr. Andrew Broere

Warrior Homecoming 2024 — Record Turnout!

On Friday, February 2nd, we invited our FBCS Alumni back to their alma mater to enjoy an evening of basketball games, dinner and fellowship with teachers and friends. We gave them specially designed Warrior Alumni T-shirts, which proved to be a huge hit!

Approximately sixty alumni came to cheer on the Warriors basketball teams as they played North Metro. The night continued with dinner for our Alumni and family in the Fellowship Hall where they enjoyed looking at old yearbooks and remembering their days at Fourth.

During half-time of the boys game, we asked our Alumni to stand on the sideline of the basketball court while names were drawn and stories were shared of their time at FBCS. Some of the most repeated memories included memories of sports and music trips, winning championships, teachers who impacted their lives in an

academic and spiritual way, trips where the bus broke down, and some who shared how they met their future spouse at FBCS!

We are grateful for the many alumni who are current teachers at our school and/or send their children to FBCS. Thank you, alumni, for a special evening. You are welcome to return for any of our school events in the future and we look forward to staying connected with you in the years ahead! ~Mrs. Sarah Stephens, Athletic Director

Annual MACS SH Speech and Bible Festival

This annual event took place on February 8, 2023 at Woodcrest Baptist Academy. As part of their graduation requirements, seniors have the option to either participate in the Speech Festival or give another type of public presentation. Students from the senior class participated in the Duet Acting, Readers' Theater, and Poetry categories. Two students from the sophomore class participated in the Spelling Bee.

Our Readers' Theater received second place, and Alyssa Stephens and Sage McQueary placed first in the Duet Acting Category. Sage and Alyssa will be competing at AACS National Competition at Bob Jones University on April 9-11. ~Mrs. Stefanie Broere, English & Speech Teacher

Warrior Varsity Girls Basketball Team—2024 MACS Champions!

The 2023-2024 Warrior Girls' Basketball season was full of challenges and growth. The season began with the challenge of a new coach. The team jumped right in and adapted to a different style of coaching.

Our next challenge was injury. Alyssa Stephens was injured during a box out drill in practice. Alyssa was out for 6 weeks! During this time, many players stepped up, saw more playing time, and used those opportunities to improve their skills. The girls played in the St Francis Tournament and were able to defeat Lake Region, Rosemount, and Woodcrest—winning the tournament!

The Faith Baptist Bible College Invitational Tournament was a great showcase of the girls' skills and teamwork. The team progressed through the tournament undefeated, beating Faith Academy in the championship game! The girls' defense was superb and they also attacked the hoop aggressively.

Once they returned from FBBC, the girls were victorious in their next 6 games—finishing the season 23-4! The theme going into the MACS conference tournament was “leave no doubt.” And they certainly left no doubt—they beat St Francis in the semi-final 57-24! The team played unbelievable defense and ran their offense aggressively. Facing Woodcrest in the Championship game, again the girls *left no doubt*—beating Woodcrest 59-40! Overall, this was a season full of challenges and growth. We are looking forward to next season! ~Coach Stefanie Broere

Warrior Awards: Offensive Player of the Year—Clara Rieschl; Defensive Player of the Year—JoJo Rieschl; Warrior Award—Lilly Broere; Unsung Hero Award—Alyssa Stephens

Team Captains:

Clara & Rieschl & JoJo Rieschl

Team Awards:

- 1st Place at Faith Tourney
- 1st Place at St. Francis Tourney
- 1st Place at MACS State Tourney

Faith All-Tournament Team:

Clara Rieschl (MVP) & JoJo Rieschl

St. Francis All-Tournament Team:

Clara Rieschl (MVP) & JoJo Rieschl

MACS All-Tournament Team:

Clara Rieschl (MVP) & JoJo Rieschl

Clara Rieschl, JoJo Rieschl

MACS All-Conference 2nd Team:

Alyssa Stephens

MACS All-Conference Honorable

Mention:

Sophia Morrell

Varsity Boys Win Third Place at MACS State Tourney

Our captains this year were Shaun Larson and Grant Vikander. Our team was very unified in purpose and practiced well together throughout the year. Our team was led by our three senior guards, Shaun Larson, Nathan French, and Jacob Combs, and our three sophomore big men, Ethan Markgraf, Grant Vikander and Carlos Flodstrom.

We finished with a season record of 15-9 and 3rd in the conference. A highlight of our season was beating Rosemount on their home court on their senior night. We split wins in the regular season with the top 2 finishers in the conference – Rosemount and St. Francis – which gave us hope that we could

win the conference tournament at the end of the year. After easily defeating Prior Lake in the 1st round, we lost in the 2nd round of the tournament to St. Francis by just 9 points, we rebounded with an exciting overtime win over Lake Region to finish the tournament in 3rd place overall.

Congratulations to Shaun Larson for joining the 1,000-point club this year during our home game vs. Woodcrest. We will miss our seniors but are looking forward to next year's team.
~Coach Jason Webster

Senior Night Athlete Recognitions

As is our custom, we honored our senior athletes and managers along with their parents during the final set of home games of the season vs. St. Cloud Christian. Senior Girl Athletes: Lilly Broere, Paige Emslie, Clara Rieschl, JoJo Rieschl, Alyssa Stephens. Senior Boy Athletes: Jacob Combs, Nathan French, Shaun Larson. Senior managers: Josiah Brombacher, Julia Muhr and Isaiah Roman.

Loads of athletic ability is represented in this group. Each of these athletes began playing for FBCS in junior high (several in 6th grade), and have grown in their talents and abilities over the years as they stuck with the sport. Some began playing basketball at a very young age, participating in community recreational basketball programs. These athletes have set a good example on and off the court. We appreciate their years of dedication to Warrior Basketball! ~Mrs. Alison French

*Back Row: Lilly Broere, Nathan French, Shaun Larson, Josiah Brombacher, Jacob Combs. (Not Pictured: Isaiah Roman)
Front Row: Paige Emslie, Alyssa Stephens, JoJo Rieschl, Clara Rieschl, Julia Muhr.*

Senior Athletes In Action

23—Jacob Combs, Guard

14—Nathan French, Guard

#10—Shaun Larson, Guard

#13—Lilly Broere, Forward

#4—Paige Emslie, Guard

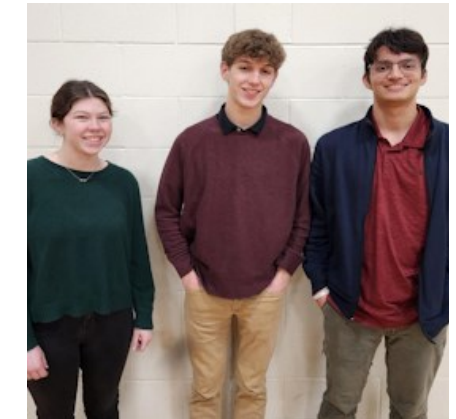

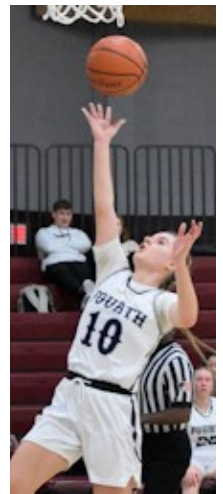

#10—Clara Rieschl, Point Guard

#1—JoJo Rieschl, Guard

12—Alyssa Stephens, Forward

Basketball Managers: Julia Muhr, Josiah Brombacher, Isaiah Roman

Shaun Larson Joins 1000 Point Club

On Friday night, February 9th, Shaun Larson became the latest Warrior to reach the 1,000–point milestone! With a literal last-second shot in the home game vs. Woodcrest, Shaun sunk a 3-pointer to finish the game and surpass 1,000 points! The home crowd erupted in cheers, holding up signs bearing his image, and gave him a standing ovation for his efforts. His name has been added to the 1,000 point club banner hanging in our gymnasium. Congratulations, Shaun!

JH Girls BB Team BLUE Recap

This was a great season of taking the next step in basketball knowledge and practice with this group of returning 7th & 8th graders. They all improved daily in their skills as well as in knowledge of the game. We were able to experience winning some games this season, so we regularly talked about praising God when and how we win as well as being prepared to praise God when we lose. Although the scoreboard doesn't always reflect the players' improvement at this level, from a coach's perspective it was exponential.

I want to thank the parents who carpooled to get girls to and from games, as well as all the parents and grandparents who faithfully came out to cheer us on. As a coach, I get to watch not only the players on the floor, but also the parents in the stands...and let me tell you I'm not sure which group is more entertaining! Thank you for supporting your girls and our team this year. It was a wonderful season of fun, learning and winning! ~Coach Jeremy Stephens

Warrior Awards: *Cleaning the Glass Award—Ava Fure; Let it Fly Award—Lily Goshgarian; Warrior Award—Lauren Stephens*

JH Girls BB Team WHITE Recap

In a thrilling season, the Girls Basketball Team White showcased their determination and growth. With an overall record of 4 wins and 7 losses, they battled their way to the consolation championship at the NSPSL B-Squad Tournament, where they narrowly lost by just 3 points.

These 6th grade girls demonstrated remarkable improvement throughout, leaving a lasting impression on fans and opponents alike. ~Coach Jon Campbell

Warrior Awards: *Practice Warrior Award—Lexi LaVasseur; Michael Jordan Award—Daniella Damyran*

JV Boys Basketball Recap

The JV team experienced a season of up and downs. We started the year with a championship in the season opening JV tournament at Chisago. The championship game was an exciting game against Rosemount that we won in overtime, thanks to some clutch shots and free throws. We then followed that exciting start with losing 7 of the next 9 games as we had some significant absences and roster shuffling. As the season went on, the boys started to work better together, and we split the last four games of the season. The team finished the season with a respectable total record of 7-9.

Our *Warrior JV Leadership award for this year went to Tyler Stephens* for leading the team in several stats and for being a good leader on the court. As next year approaches, with three seniors and many minutes departing from the varsity team, we will look forward to some of these JV players earning increased playing opportunities in varsity games.

~Coach Joe Combs

JH Boys BB Team BLUE Recap

The Junior Boys Basketball Team Blue displayed perseverance and resiliency throughout the basketball season. The NSPSL varsity league presented many challenges for our team throughout the year. While we did not achieve much team success in terms of wins, our players developed their basketball skills both individually and as a team. We are especially grateful for the efforts of two of our 8th grade players, and we honored them with awards.

Warrior Awards: Blood, Sweat, and Tears Award went to Isaiah Caasi as he and led our team with his strong defense, rebounding, and steady ball handling. Our *MVP Award went to Christian Hoffman* as he directed our team both as our point guard and as a strong scorer.

~ Coach Erik Fredericksen

JH Boys BB Team SILVER Recap

The 2023-2024 JH Boys Silver basketball season was a great learning year and I enjoyed introducing many new players to the game of basketball. This was also my first year coaching a team at Fourth and I had great time getting to know each player. Although this year was challenging, the boys showed up to every practice and game ready to play. Their intensity and never quit attitude was clearly evident in every game we played. The team significantly improved throughout the year, and I want to encourage them to keep playing and practicing during the offseason honing their skills. I would like to thank the parents and players for their dedication to the team. I am looking forward to next season! ~Coach Brent Hanks

Warrior Awards given were as follows: Offensive Player of the Year – Alex Tkach; Defensive Player of the Year – Dima Brutskiy; Most Improved Player – Elias Brombacher

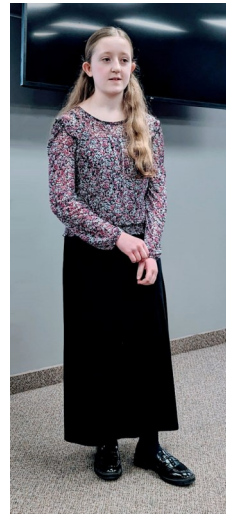

JH MACS Fine Arts Festival

Our 7th and 8th grade students participated in the MACS Junior High Fine Arts Festival on March 8th at First Baptist of Rosemount. Forty FBCS students participated in large group, small group, and solo events throughout the day and did very well. The goal for this event is for students to grow in their fine arts skills, and as music teachers, Miss Harmon and I feel they really grew from this experience. Students were evaluated and given performance ratings by the judges.

They attended many performances throughout the day and were able to observe many other school's performances as well. Thanks to each student for their hard work and to our accompanists, Miss Harmon, Mrs. Bruffey, and Mrs. Peal. Superior ratings were given to the following groups and individuals: Band, Choir, Mixed Large Vocal Ensemble,

Brass Ensemble, Woodwind Ensemble, Small Instrumental Ensemble, Alex Petrashov—saxophone solo, Christian Kolwinska—saxophone solo, Liam Broere/Clara Morrell—piano duet, Allison Leanger—piano solo, Jila Peng—monochromatic drawing.

Excellent ratings were given to the following groups and individuals: Men's Large Vocal Ensemble, 7th Grade Girls Large Vocal Ensemble, 8th Grade Girls Small Vocal Ensemble, Percussion Ensemble, Ava Fure—vocal solo, Sarah Goshgarian—vocal solo. ~Mr. Levi Kolwinska, Music Director

Elementary Field Trips

Bell Museum

5,4,3,2,1 . . . The 5th and 6th grades blasted off to the Bell Museum of St. Paul for a closer look at planet Mars and its moon, Europa! They enjoyed a unique planetarium show featuring a trip to Mars and what that would entail. Did you know it would take 10 months just to travel there? We saw a mini planetarium show about the North Star, Polaris, and other constellations we can see around us. We also learned that the northern most star may not always have been Polaris. The star, Thuban, which the Egyptian Pyramids are aligned with, is thought to have been the north star 5,000 years ago.

After a quick break, the shuttle landed us into classrooms where the students became astrobiologists and explored different hands-on activities about Europa. The activity that impressed the students the most was an egg drop contest. Students were tasked with inventing a space landing vehicle and safely lands their eggs on Europa intact. Most groups were successful!

This was an enjoyable field trip, keeping the students engaged from beginning to end. It was a great way to kick off our space unit coming up soon! ~Mrs. Sheila McLeish, 6th Grade Teacher

You're a Good Man, Charlie Brown

Our 3rd-6th grade FBCS students packed into two busses on Leap Day and headed off to the University of Northwestern where the theater department treated them to a Peanuts gang musical production entitled *You're a Good Man, Charlie Brown*. From the hilarious to the heartwarming, the theater students depicted native Minnesotan Charles Schulz's characters with amazing musicality, acting skills, light, and stage design.

The play consisted of comic strip style vignettes that trudged through a day in the life of a melancholy Charlie Brown. FBCS students enjoyed connecting to daredevil Snoopy fighting the infamous Red Baron amid smoke and lights. Sassy Lucy shared, let's say, umm... interesting... advice. Schroeder included students in a Beethoven Day celebration. Little siblings, Linus and Sally, showed what the power of family love can do.

In between acts, students enjoyed taking pictures in the lobby with their favorite cartoon characters. We are thankful for these great opportunities and the help of their teachers, teacher aides, and bus drivers. ~Mrs. Annelies Harmon, Elementary Music Teacher

Introducing Mark Monroe as the Next Assistant Head of School

Mr. Mark Monroe

We are excited to announce the appointment of Mark Monroe as the next Assistant Head of School at Fourth Baptist Christian School. Mark brings with him a wealth of experience and a deep commitment to Christian education, student experiences, and educational excellence.

Mr. Monroe has been an integral part of the Fourth Baptist community for many years, contributing his expertise and dedication to the growth and success of our school. His experience extends beyond our campus, having taught at Lake Region Christian School in Brainerd and previously at a school in Pennsylvania, where he honed his skills and passion for education. He has been a classroom teacher, athletic director, and basketball coach.

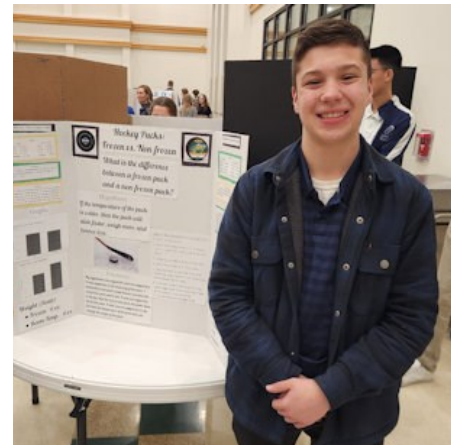

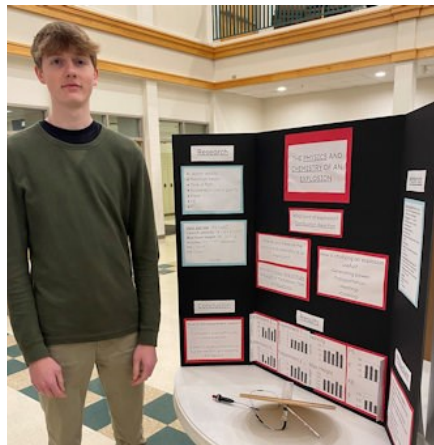

Throughout his time at Fourth Baptist, Mark has demonstrated leadership qualities, a heart for serving students, and a strong commitment to upholding our Christian principles. His vision for academic excellence, character development, and spiritual growth in our students' lives resonates deeply with our school's mission.

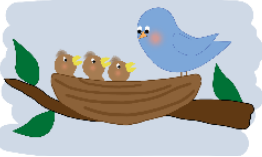

As we welcome Mark Monroe into his new role, we look forward to his continued contributions in shaping the future of Fourth Baptist Christian School and nurturing the next generation of leaders and scholars. Join us in congratulating Mark and offering him our full support as he steps into this important leadership position. ~ *Mr. Andrew Broere*

2024 History & Science Fair

On Thursday evening, March 14th, the 7th—10th graders held a History/Science Fair for family and friends. The students in those grades write a research paper for English class, and then make a presentation of their report findings with a poster display board to their class. This year, there were 72 students who participated in the Fair. The 7th and 9th graders prepared science projects, and the 8th and 10th graders presented history projects. Tables were set up in the Atrium and gymnasium and guests were able to visit the exhibits that the students had prepared.

Though many of the students don't look forward to this as a required educational opportunity, the students do eventually enjoy sharing what they have learned through this process. Guests enjoy asking the students questions and learning something they may have not known previously. Thank you to the students for their work, and thanks to the many guests who visit with the students. Thanks also to those who were able to help get things organized for the next school day in the Atrium. ~ *Mr. Mark Monroe, History Teacher*
